Pursuant to section 20(1)(e) of the Public Lands Act, R.S.A. 2000, c. P-40, as amended, this Approval is granted to you, the Applicant, to enter on and occupy the public land legally described above and as shown on the attached sketch provided as part of the application for this Approval. This Approval is for the specific purpose indicated above, and not for any other purpose.

This Approval is temporary and expires on the date prescribed therein. If the activities approved result in the occupation of public land for a period of time longer than Approved, the holder must apply for a formal disposition (i.e. a licence or a lease) OR request an extension of the established term prior to expiry.

All Approvals issued under the Public Lands Act should not be taken to mean the Proponent (Applicant) has complied with other Provincial or Federal Legislation.

Proponents must ensure all other legislative requirements are addressed in relation to this Public Lands Act Approval.

Conditions:

- This Approval will expire on **December 31, 2020** upon which operations must be completed.
- This Approval is subject to all terms and conditions on related activity: DLO100234 or N/A
- The holder must have in possession, or have their contractor in possession of a copy of this form which is to be retained on site during all phases of your activity.
- Contact and advise the regional office in CALGARY (phone (403) 529 - 3167), Alberta, prior to any additional construction during the term of this form and at the completion of operations.
- The holder must obtain written consent from the land occupant prior to entry.
- The holder must submit an as-built plan to the departmental officer within 60 days of construction Yes N/A
- Timber salvage - Required Waived Plan Required N/A
- See attached schedule "A" for operational conditions. Yes No See Comments

(CONDITIONS) SCHEDULE A

TFA 193900

1. 002

The Regulatory Body issues this Disposition to the Disposition Holder in accordance with the Act or Regulation subject to the terms and conditions contained in this Disposition.

(CONDITIONS) SCHEDULE A

TFA 193900

2.	003	The Disposition Holder must only enter, occupy and use the Lands for the purpose* and activity as referred to as such on the first page of this Disposition.
3.	005	The term of this Disposition means the period of time commencing on the Effective Date and ending on the Expiry Date, unless otherwise changed in accordance with this Disposition (the "Term").
4.	009	The Disposition Holder must obtain federal, provincial, municipal, and other permits and approvals, as applicable, with respect to activities that may take place on the Lands.
5.	018	When a Disposition has been terminated, the Regulatory Body may cancel any associated dispositions.
6.	1047	The Disposition Holder must maintain all activities for proper drainage of surface water.
7.	1058	The Disposition Holder must remove all garbage and waste material from this site to the satisfaction of the Regulatory Body, in its sole discretion.
8.	1200	The Disposition Holder must manage all weeds as per the Weed Control Act.
9.	1257	The Disposition Holder must conduct all activity to prevent and control erosion* and sedimentation on or adjacent* to the Lands.
10.	1258	The Disposition Holder must install and maintain erosion control* measures.
11.	1271	The Disposition Holder must not use soil sterilants for any activities on the Lands.
12.	1301	The Disposition Holder must not interrupt natural drainage (including ephemeral and fens*), block water flow or alter the water table.
13.	1307	The Disposition Holder must ensure all crossings maintain fish passage* and are compliant with the departments Code of Practice under the Water Act, Water (Ministerial) Regulation.
14.	1310	The Disposition Holder must not deposit or place debris*, soil or other deleterious materials* into or through any watercourse* and/or waterbody*, or on the ice of any watercourse* and/or waterbody*.
15.	1311	The Disposition Holder must maintain the access including crossing structures, ditches and other installations to ensure proper drainage.
16.	1326	The Disposition Holder must use only existing road* or bridge* crossings to gain vehicular access across any watercourse*.
17.		The disposition holder must only conduct operational water hauling between 08:00 (8 am) and 17:00 (5 pm).

(CONDITIONS) SCHEDULE A

TFA 193900

- 18. The disposition holder must not conduct water hauling activities between May 1 and June 15 of each year.

- 19. The disposition holder must ensure that the number of water hauling vehicles does not exceed a maximum of fifteen (15) units per day.

- 20. The disposition holder must ensure that the water hauling vehicles do not exceed 50 km/hour.

- 21. A development permit may be required for this activity. Please contact the Kananaskis Improvement District at 403 591-7774 for requirements.
