Hello Heather,

Hoping you can help me out. I'm looking for a copy of any new (2019 or newer) TCL (Tourism and commercial Recreation Lease) that Fortress Mountain Holdings has applied for.

Is this something I can do through yourself or would this be a FOIP request?

Thank you for your time and enjoy your weekend.

Cheers

Neil

ok, I'll contact Heather directly, but it seems I've been sent in a circle.

I originally contacted AEP info centre who told me to contact Heather at [tcr.info@gov.ab.ca](mailto:tcr.info@gov.ab.ca), which I did. That TCR email then replied asking AEP to help me out. AEP info centre has now responded telling me to contact Heather.

Yes, I'm confused as well.

Please advise.

Thanks for your time  
Neil

Heather, while I have you 'on the line', who would I talk to if I had questions about Temporary Field Approval (TFA) #193900?

Thank you!

Hi Neil.

TFAs are issued out of regional offices. Assuming its for Southern Region, given the projects referenced below... I suggest contacting that office... The number is 403-297-8800.

Just let them know you are interested in information regarding that specific TFA and they should be able to assist you.

Hi Neil,

Just following up on your email inquiry from October 1, 2020, to the department, in regards to a Tourism Commercial Recreation Lease (TCL) application applied for by Fortress Mountain Holdings. The department has not received an application from Fortress Mountain Holdings nor has a TCL disposition been issued to Fortress Mountain Holdings.

I have attached the most recent DML disposition document issued for easy reference.

Regards,

Lori

Lori,

One question for you if I may:

The lease you sent me states that "The Disposition Holder shall only use the Lands for a winter alpine and ski resort facilities;"

With that in mind, can you help me understand how [selling water](#) and [ATV shuttled summer hiking](#) is allowed on the lands?

Grateful for your time.

Neil
